MEETING 2021

**Filippo Rosin**  
**Marco Contiero**

7 May 2021

10:30-12:00

The Department of Political Science, Law, and International Studies has organised a series of workshops with the goal of developing cross-cutting competencies such as:

*Communication*

*Planning and Organising*

*Teamwork*

In this session an expert of environmental global policies will address the role of civil society organisations, and in particular that of environmental NGOs like Greenpeace, within the European decision-making process, describing of Greenpeace's goals and providing practical examples of its advocacy and lobbying activities vis a vis European Institutions. On top of broadening their knowledge and understanding of EU careers in civil society organisations students will also be able to discuss about job opportunities and the practical aspects related to that, including the minimum set of competencies and skills required in this specific professional field.
