

POLICY ANALYSIS LAB

MEMORY AND MEDIA IN THE WESTERN BALKANS

This 12hrs Lab aims at providing important insights on the everyday tasks of experts working for the think-tank *Osservatorio Balcani Caucaso Transeuropa* (OBCT) at the *Centro per la Cooperazione Internazionale* (CCI) in Trento (Italy). It will be focused on memory and media, as two of the most relevant issues in the current analysis of politics and society in Southeast Europe. Students will be provided with theoretical and practical tools and will be required to test them analyzing specific case studies from various perspectives and with different approaches.
