WHAT YOU WILL LEARN

- to use original archive sources;
- to provide practical and transferable skills;
- to strengthen competences increasingly demanded in international careers;
- to reinforce your analytical command of security and diplomatic studies;
- to foster constructive and respectful dialogue on complex issues by arguing a position rigorously while remaining open to compromise - a genuine diplomatic practice!

Conducted in **English** and designed to bring together Italian, exchange and international students, the Virtual Exchange Program - Negotiation Games create a multicultural negotiating environment that mirrors the institutions it reconstructs.
