

LIBERTAS

Spaces and practices of academic freedom

22-24 June 2022

University of Padua, Beato Pellegrino Complex (via Vendramini 13, Padova) and online

Ufficio Comunicazione ACOM - UNIPD

The conference promotes knowledge and understanding of academic freedom across the centuries and today, expanding the debate on how to protect this freedom and ensure fundamental values in higher education

[To register for the event in presence](#)

[To register for remote participation](#)
